As you approach, this stately Victorian welcomes you home. Step inside to something very special, a grand foyer, high ceilings, charming period details. The formal areas of the home are spacious and grand, a large dining room, a living room with a fireplace and butlers pantry. You'll be WOW'd by the huge kitchen with center island, stainless steel appliances and breakfast room. Relax in the adjoining family room, perfect for casual entertaining. A special treat is the large screened porch off the kitchen, great for summer nights and al fresco dining. The second floor boasts a large primary suit with two walk in closets and private bathroom. Three additional bedrooms and a full bath along with a laundry room round out the second floor. The third floor is perfect for a home office or children's suite with two bedrooms a bathroom and bonus space great for homework or hangout. Spectacular mature plantings in a tranquil setting.
